

Southern Lakes

Kentucky's southern lakes offer unlimited opportunities for water sports of all kinds.

A great way to enjoy a Kentucky vacation is aboard a houseboat on any of the large lakes. Lake Cumberland is a perennial favorite among houseboat enthusiasts. It has more shoreline than the coast of Florida and offers numerous secluded coves perfect for your floating vacation home.

Big South Fork Scenic Railway

The railway originally served as the backbone of the Stearns Coal and Lumber Company, hauling logs and coal out of the remote and beautiful Big South Fork river valley. Travel along cliff lines and roaring streams to a restored coal mining town aboard enclosed and open-air cars to see what life was like almost a century ago.
